

# Hvem bliver kattekonge?

A yellow ladder with 11 rungs. At the top left, a fairy with blonde hair and blue wings is perched. Above the top rung are two dice: the left one shows a one and the right one shows a four. At the bottom of the ladder is a yellow crown with three points.

A yellow ladder with 11 rungs. At the top right, a boy wearing a green shirt and shorts and a green Christmas tree hat is perched. Above the top rung are two dice: the left one shows a two and the right one shows a five. At the bottom of the ladder is a yellow crown with three points.

A yellow ladder with 11 rungs. At the top right, a blue elephant is perched. Above the top rung are two dice: the left one shows a three and the right one shows a six. At the bottom of the ladder is a yellow crown with three points.
